## Further Support for Mental Health

- Practitioner Health Programme - <https://www.practitionerhealth.nhs.uk/>

Practitioner Health is a free, confidential NHS service for doctors and dentists across England who are experiencing mental illness and addiction problems and looking to return to clinical practice. The service can help with issues relating to a mental health concern, including stress, depression or addiction problems, in particular where these might affect work. The service is provided by health professionals specialising in mental health support to doctors and is available in various locations across England.

- Doctors Support Group - <https://doctorssupportgroup.com/>

The DSG aims to assist doctors and dentists who need help when coping with the enormous stresses and difficulties they may face. Members of the DSG come together for regular meetings and provide support for those facing suspension, exclusion, investigation of complaints and/or allegations of professional misconduct.

- Doc Health - <http://www.dochealth.org.uk/what-we-offer.html>

Confidential, not for profit, psychotherapeutic consultation service for all doctors. The service is delivered by Consultant Medical Psychotherapists based at BMA House in London. Although located in London, the service is open to all doctors in the UK. It is supported by the British Medical Association (BMA) and the Royal Medical Benevolent Fund (RMBF).

- BMA offers support services including counselling and the Doctor Advisor Service, For further information [please click here to visit their website: https://www.bma.org.uk/advice-and-support/your-wellbeing/wellbeing-support-services/counselling-and-peer-support-for-doctors-and-medical-students](https://www.bma.org.uk/advice-and-support/your-wellbeing/wellbeing-support-services/counselling-and-peer-support-for-doctors-and-medical-students)

## For Management Referrals

The process for trainees requesting a management referral is that they contact the case management team [lead.employer@sthk.nhs.uk](mailto:lead.employer@sthk.nhs.uk) or call the helpline at 0151 478 7777.

Trainees do not have managers in their placements, the case management provides this support. The case management team, with the trainees consent will forward any reports to the appropriate person who is supporting the trainee at their deanery.

# Support through our digital health and wellbeing apps

## Headspace

Headspace is a science-backed app in mindfulness and meditation, providing unique tools and resources to help reduce stress, build resilience, and aid better sleep.

Free access has now been extended until 31 December 2023.

## Unmind

Unmind is a mental health platform that empowers staff to proactively improve their mental wellbeing. It includes digital programmes designed to help with stress, sleep, coping, connection, fulfilment and nutrition.

Free access has now been extended until 31 December 2023.

## StayAlive

The Stay Alive app is a suicide prevention resource for the UK, packed full of useful information and tools to help you stay safe in crisis. You can use it if you are having thoughts of suicide or if you are concerned about someone else who may be considering suicide.
